## ASSOCIATION MANAGEMENT

**Apex Contractors** understands the unique demands property managers face on a day-to-day basis to keep owners and tenants happy.

You'll be impressed with our high degree of professionalism, and our exceptional commitment to superior craftsmanship. We pride ourselves on providing all customers, no matter how big or small the job, with the same personal and committed customer service. And, the more you work with Apex, the better we get to know you and your properties, and the better we can provide comprehensive services custom tailored to your requirements.

Originally incorporated as a stone and stucco remediation company serving the tri-state area, today we employ a wide range of skilled craftsman that can handle most exterior envelope repairs.

Our extensive product lines are designed to adapt to the demands of your project regardless of your budget, maintaining the highest quality standards and complying with all state and local building codes.

### **Expect the best!**

We offer a worry-free warranty on all work performed both on labor and materials.

## FOR HOMEOWNERS

**Apex Contractors** will educate and provide documentation for options for all repairs. With our **FREE** no-obligation inspection and recommendations, you'll have a full range of options to consider. Our goal is to make your project stressless while protecting your investment in your home.

We focus on the importance of safety, craftsmanship and customer service while working on your property. We have built our company on the basis of honesty, safety, efficiency and integrity and pride ourselves with a job well done.

We will also provide certification that the repair work was done to the highest standards and in compliance with the ever expanding requirements of building and zoning codes, community boards and local governmental authorities.

We are a company that cares. Apex Contractors will improve your home, your peace of mind, and protect one of the largest investments you will ever make.

From the first day on the job to the last, your yard, landscaping, gardens and driveway will never be left in poor condition at the end of each workday. We will leave your home in a safe, clean and organized fashion every day throughout the length of the project.
