BUILDING SERVICES

PRISTINE PROFESSIONALISM PERSONIFIED

We clean your high-end buildings so you can make the impression you deserve. Our customer base includes prominent management companies as well as large firms, various hospitals and medical facilities. We have maintained immaculate facilities since 1979 with our sophisticated cleaning systems. We service all high-rise commercial and high-end residential buildings.

PERSONAL PROMISE

We're big enough to get it done. And small enough to share a coffee. It's what sets us apart and keeps customers coming back for more.

EXCEED EXPECTATIONS

Mediocrity is not in our vocabulary. We have separate pro teams for each service, and deliver the highest-end work, as befitting to your building.

LICENSE & LIABILITY

We are outfitted with all the pre-requisite requirements your building might necessitate. We are fully insured and have a completely updated riggers license.

Continental is an excellent company. We continue to use them at multiple buildings year after year.

-Natalie J.,

We are very pleased with the incredible job you did! I manage many commercial buildings and would definitely recommend and use your company again. Thanks.

-Eliezer G.,

I have been using Continental in my 560,000 sq ft office building for 9 years, and have always been satisfied. They are very thorough and never miss a beat.
